---

**Additional Information**

Our programmes are located at eight campuses throughout western Denmark. Each campus is either newly built or newly renovated and offers modern facilities for our students.

Our campuses have strong academic environments and a variety of leisure activities.

You can learn more about housing options, amenities and facilities and the local surroundings of each campus by choosing your study location at our website: [en.via.dk/programmes/student-life](https://en.via.dk/programmes/student-life)

**VISA**

Citizens from the Nordic countries and the EU do not need a visa. However, citizens from other countries should check the Danish Immigrations Service's website: [nyidanmark.dk](https://nyidanmark.dk).

Please be aware that the process for VISA application takes time.

Learn more about what it is like to live and study in Denmark at: [studyindenmark.dk](https://studyindenmark.dk)
