 - «CATS (Credit Accumulation Transfer System), 120 credit points tilsvarer et års studier/60 studiepoeng. Enkelte universiteter bruker studiepoeng (ECTS) ifm internasjonalisering, men dette er ennå ikke vanlig» www.nokut.no (lesedato 040711)
 - Australia (nevnte institusjoner foreligger i akkrediteringsregister www.aqf.au)

Se lærestedets hjemmeside på internett", www.nokut.no (lesedato 050510) Se informasjon påført aktuelle universiteter i dette dokument.
 - USA og Hawaii
 - "Studiepoengsystemet i USA er basert på credits. - "Universiteter og høyskoler som tilbyr akkrediterte studier etter denne lov, skal godskrive beståtte emner, fag, eksamener eller prøver fra andre universiteter og høyskoler som tilbyr akkrediterte studier med samme antall studiepoeng i den utstrekning de oppfyller de faglige krav for en bestemt eksamen, grad eller utdanning ved institusjonen. Vedkommende institusjon skal påse at det ikke gis dobbel uttelling for samme faginnhold". (UH-loven §3-5)
- "Faglig godkjenning innebærer godkjenning av utenlandsk utdanning i forhold til institusjonens egne fag, grader og yrkesutdanninger. Den enkelte institusjon avgjør om den utenlandske utdanningen oppfyller de spesifikke kravene til bredde og dybde for faget eller graden. En slik godkjenning er aktuelt når man søker opptak til videre studier eller innpassing av utenlandske utdanning", <http://www.nokut.no/no/Utenlandsk-utdanning/soker/godkjenningsordninger> (lesedato 070610)
