- Australia (nevnte institusjoner foreligger i akkrediteringsregister www.aqf.au)
 - "Alle australske universiteter bruker studiepoeng (credits eller units) men det finnes ikke et standardssystem for hvor mange studiepoeng ett års fulltidsstudier omfatter. Se lærestedets hjemmeside på internett", www.nokut.no (lesedato 050510) Se informasjon påført aktuelle universiteter i dette dokument.
- USA og Hawaii
 - "Studiepoengsystemet i USA er basert på credits. Stort sett er det beregnet 30 semester credits per år, noe som tilsvarer 60 norske studiepoeng, dvs ett semester credit kan omregnes til 2 norske studiepoeng. Det fins også andre typer creditsystemer. Alle karakterutskrifter har en forklaring av studiepoengsystemet ved institusjonen på baksiden" www.nokut.no (lesedato 100510)
