- Godkjenning av utdanning utenlandske institusjoner:
 - **England**
 - «CATS (Credit Accumulation Transfer System), 120 credit points tilsvarer et års studier/60 studiepoeng. Enkelte universiteter bruker studiepoeng (ECTS) ifm internasjonalisering, men dette er ennå ikke vanlig» www.nokut.no (lesedato 040711)
 - **Australia** (nevnte institusjoner foreligger i akkrediteringsregister www.aqf.au)
 - "Alle australske universiteter bruker studiepoeng (credits eller units) men det finnes ikke et standardsystem for hvor mange studiepoeng ett års fulltidsstudier omfatter. Se lærestedets hjemmeside på internett", www.nokut.no (lesedato 050510) Se informasjon påført aktuelle universiteter i dette dokument.
 - **USA og Hawaii**
 - "Studiepoengsystemet i USA er basert på credits. Stort sett er det beregnet 30 semester credits per år, noe som tilsvarer 60 norske studiepoeng, dvs ett semester credit kan omregnes til 2 norske studiepoeng. Det fins også andre typer creditsystemer. Alle karakterutskrifter har en forklaring av studiepoengsystemet ved institusjonen på baksiden" www.nokut.no (lesedato 100510)
 - UC Berkeley (Petersen, T. 110611) «Full-time student er 15 credits. Alle tar 15 credits».
 - HPU (www.hpu.edu lesedato 100510) er akkreditert av akkrediteringsorganet Western Association for Schools and Colleges (WASC) Institusjoner godkjent av WASC er godkjent i Norge (www.nokut.no lesedato 100510). - **Fagporteføljer og godkjenningsprosedyrer (se også neste side)**
 - Fagporteføljer initieres av studieprogramleder eller den han/hun bemyndiger.
 - Emneporteføljer godkjennes av studieprogramleder ved Høyskolen Kristiania. Godkjenningsprosedyrer hjemlet i UH-loven er godkjent av MH's Undervisningsutvalg 230610.
 - Forbehold om gjennomføring tas av utenlandsk institusjon inntil semesterstart. Emner som studentene gjennomfører skal være forhåndsgodkjent av hjemmeinstitusjon (her HK) for oppnåelse av grad ved Høyskolen Kristiania.

- **Faglige godkjenningsprosedyrer av innpass utenlandsk utdanning**

- Bakgrunn
- "Universiteter og høyskoler som tilbyr akkrediterte studier etter denne lov, skal godskrive beståtte emner, fag, eksamener eller prøver fra andre universiteter og høyskoler som tilbyr akkrediterte studier med samme antall studiepoeng i den utstrekning de oppfyller de faglige krav for en bestemt eksamen, grad eller utdanning ved institusjonen. Vedkommende institusjon skal påse at det ikke gis dobbel uttelling for samme faginnhold". (UH-loven §3-5)
- "Faglig godkjenning innebærer godkjenning av utenlandsk utdanning i forhold til institusjonens egne fag, grader og yrkesutdanninger. Den enkelt institusjon avgjør om den utenlandske utdanningen oppfyller de spesifikke kravene til bredde og dybde for faget eller graden. En slik godkjenning er aktuelt når man søker opptak til videre studier eller innpassing av utenlandske utdanning", <http://www.nokut.no/no/Utenlandsk-utdanning/soker/godkjenningsordninger> (lesedato 070610)
- Faglig godkjenning – kvalitetskriterier
 - Utenlandske samarbeidspartnere må tilby akkrediterte studier (kontrolleres av HK)
 - Faglig bredde og dybde for graden ivaretas på studieløpsnivå
 - Emneomfang synliggjøres vha studiepoeng (totalt tilsvarende 30 ECTS pr. semester)
 - Forkunnskaper og emnenivå
 - Faginnhold må ikke overlappe fag som kandidaten gjennomfører ved hjemmeinstitusjon (forutsetning for uttelling studiepoeng)
 - Faglig relevans relateres til bachelorgrad det søkes innpass for ved HK.
- Faglig godkjenning av porteføljer og emner - ansvar
 - Emner og omfang, forkunnskaper (viser nivå), faglig relevans, ikke "overlapp" vil være kvalitetskriterier på emnenivå.
 - Studieprogramleder godkjenner porteføljer og emner etter kriterier hjemlet i UH-loven og prosedyrer godkjent av høyskolens Utdanningsutvalg (UU)
 - Underlag for godkjenning av emner, "Excel-ark påført kvalitetskriterier" (HKs arkiv), ved studieprogramlederne Espen Tønnessen (FAE), Lars Erik Braaum (LIF og BHI), Jo Christiansen Bruusgaard (BIO), Ragnhild Eg (BPY), og Ane Cecilie Westerberg (BER)

- **Bachelorutdanning ved Høyskolen Kristiania**

- **Study Abroad – 4. semester** (med gjennomføring våren 2021)
 - **Konsept for innpass utenlandsk utdanning**
 - Studenter må velge 30 ECTS for å ha en studiebelastning som er tilsvarende semesteret ved HK. Til en viss grad skal man ta emner ute som direkte dekker det som gjennomføres hjemme, i tillegg har man noen mer frie emner som studenter kan velge ut fra egen interesse.
 - Gjelder for gjennomføring av studier i utlandet med HK's etablerte samarbeidspartnere.

 - **Bachelortitler og dokumenter til vitnemål fra HK (kullet 2019-2022)**
 - Bachelor i Fysisk Aktivitet og Ernæring (FAE), Bachelor i Livsstilsendring og folkehelse (LIF), Bachelor i Helse og Idrettsledelse (BHI), Bachelor i Biomedisin (BIO), Bachelor i Anvendt psykologi (BPY), og Bachelor i Ernæring (BER).
 - Informasjon om delstudium i utlandet/utvekslingen fremkommer på vitnemål for HK uten emner/karakterer (ikke på karakterutskrift). Utvekslingsstudenter må bestille «official transcript» fra utenlandsk studiested og vedlegge dette, sammen med vitnemål fra Høyskolen Kristiania (for dokumentasjon beståtte emner og karakterer).
 - Kopi av «transcript» må lastes opp i StudentWeb snarest etter hjemkomst og senest 1. september, for dokumentasjon, registrering og rapportering til Lånekassen.

 - Erasmus+:
 - Med Erasmus-godkjenning (f.o.m 2012) gis særskilte føringer;
 - Programtilbud forutsetter avtaler på institusjonsnivå.
